INDIANA UTILITY  
REGULATORY COMMISSION

You are hereby notified that on this date the Presiding Officers make the following Entry in this Cause:

On February 18, 2004, Indiana-American Water Company, Inc. ("Petitioner") and the Indiana Office of Utility Consumer Counselor ("Public") filed with the Indiana Utility Regulatory Commission ("Commission") a *Joint Motion for Modification of Procedures and Schedule* ("Motion"). We note that the requested procedural changes do not alter the Evidentiary Hearing date established in this Cause, and that the intervening parties have advised that they concur in the Motion.

Having considered the Motion, the Presiding Officers hereby grant the Motion, thereby modifying the Commission's November 20, 2003 Prehearing Conference Order, as follows:

1. The deadline for the Public and any intervening parties to file and serve the prepared testimony and exhibits constituting their respective cases-in-chief should be extended from February 24, 2004, to March 10, 2004. The deadline for providing copies of their respective work papers and other supporting materials should be extended from March 2, 2004, to March 17, 2004.

2. The deadline for Petitioner to file and serve its rebuttal testimony and exhibits should be extended from March 19, 2004, to April 7, 2004.

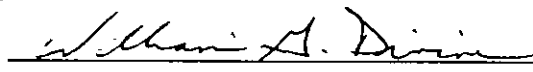

3. Petitioner and the Public seek to have Petitioner's witness Dr. John A. Boquist submit any rebuttal testimony and be cross-examined on a date subsequent to April 19, 2004, which is the date on which an Evidentiary Hearing is scheduled to commence in this Cause. However, these parties make no mention in the Motion as to when Dr. Boquist will be available to present any rebuttal testimony and be cross-examined. Pursuant to 170 IAC 1-5, the Presiding Officers are obligated to complete this Cause within a certain time period. Therefore, this request is granted subject to the

parties and the Presiding Officers being able to agree on a date and time that Dr. Boquist can complete his witness participation in this Cause, which date must occur on or before May 7, 2004. The deadline of Friday, May 7, 2004, is selected since post-hearing filings are scheduled to begin in this Cause on Monday, May 10, 2004. The parties are urged to establish, as soon as possible, a date and time convenient to them and to the Presiding Officers, on which Dr. Boquist will present any rebuttal testimony and be cross-examined.

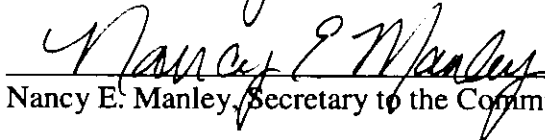

4. On or before February 20, 2004, Petitioner may file supplemental direct testimony of James L. Cutshaw on the true-up of Petitioner's original cost rate base and capital structure, the security expense order in Cause No. 42029, and property tax assessment reductions. Petitioner may also submit by February 20, 2004, supplemental updated accounting exhibits reflecting the effect thereof. Petitioner may present any such supplemental testimony, and should make the sponsoring witness available for cross-examination, prior to the presentation of the Public's and any Intervening party's case-in-chief on April 19, 2004. All objections to this testimony are reserved except as to timeliness.

**IT IS SO ORDERED.**
